NEARBY CLUB HOUSE

Club Villa 9 is part of the unique collection of luxury villas located within the Querencia Master Development nearby the renowned Querencia Club House. Upon arrival at the villa, the soothing sound of the fountains and tropical gardens invite you to discover the casita just inside the entry courtyard.

The main floor includes the kitchen, dining, and living room plus two master suites, all facing the turquoise water of the Sea of Cortes, the naturally lush green zones, and desert landscapes surrounding the Tom Fazio golf course.
