FULLY FENCED AND GATED

A recently completed two-bedroom, 2-bath home is perfectly positioned on this quarter-acre lot to maximize views and ocean breezes. Signature AF trademarks such as a tasteful tile backsplash in the kitchen, Madera rosa cabinetry, and woodwork throughout, speckled black terrazzo kitchen countertops accent a custom black granite single sink. Teka stove, vent-a-hood, and refrigerator. Ample storage directly off the kitchen houses a stackable washer/dryer, utility sink, and pantry shelving. Cool ceramic floor tile flows through the open area living, dining, and kitchen space with neutral pulido flooring found throughout the remainder of the house. 10-foot-high beige pulido walls offer a blank canvas for artwork and personal design preferences.
