Located in the downtown historic district featuring quaint shops, restaurants and galleries, Villas de Todos Santos is perfectly situated to enjoy the ultimate urban lifestyle.

The Spanish Hacienda style architecture of Villas de Todos Santos evokes the colonial charm of old Mexico inviting you to step inside where you are welcomed by our lobby ambassador. Directly off the lobby discover the lovely inner courtyard offering a private community space with heated pool and hot tub, tile accented margarita bar, sumptuous daybeds and quality teak tables and chairs.

Housing 22 spacious condominiums, this property offers residents all the amenities of a boutique hotel with the advantage of ownership in a peaceful, carefree environment. Choose from a selection of 1, 2 and 3 bedroom floorplans with each Villa featuring soaring ceilings, travertine natural stone flooring throughout, carefully appointed kitchens with a full array of quality appliances, an open kitchen/living room concept with pocket doors inviting the outdoors in and allowing plenty of room for al fresco dining and seating for family and friends.
