Listing Overview

Just minutes from Los Cerritos Surf Beach, Casa de Descanso just needs your personal touches to turn it into a palatial 5-bedroom 5-bath home with stunning views of the Sierra de la Laguna. On arrival the first thing you notice is the ample half-acre (2000 m2) lot is surrounded by beautiful mountains and hills. As you enter the great room, you are greeted by expansive rooms filled with natural light. Thoughtfully laid out with the kitchen, dining, and living rooms flowing seamlessly one to the other and adjacent the first-floor master bedroom, which boasts direct access to the pool and patio area. All five bedrooms are generously proportioned, have outdoor terraces and two boast views of Cerritos Bay. The BBQ area sits outside the dining room for convenience.
