ABOUT PLAYA TORTUGA 15

Playa Tortuga 15 is an impressive oceanfront homesite just twenty-five kilometers (15 miles) from San Jose del Cabo downtown, at the end of the paved East Cape road. The lot area is 3,289 square meters (35,402 square feet) with 35 meters (114 feet) of ocean frontage.

This property is ideal for an oceanfront estate property. The elevated bluff location allows great views of the Sea of Cortez. Star gazes at night and watches the moonlight over the desert and glistening sea.
