## ABOUT CASA ANDRÓMEDA

The sleek and contemporary design of Casa Andromeda begins with a landscaped pathway, drawing you to a unique handcrafted front door with carved stars and handblown glass planets. Enter the house to marvel at the two-level ceiling and a floating staircase flooded with natural light and leading to the second story. Polished concrete floors and countertops and a blend of custom furniture and cabinetry using Rosa Morada and parota wood enhance this lower level.

The open-concept floor plan brings the living space, dining area, and kitchen all together for easy entertaining. Two generous bedrooms are on the main level, each with private bathrooms and walk-in closets. Half-bath and laundry/pantry complete the first-floor interiors.
