ABOUT PREDIO PUNTA COYOTE

Punta Coyote is located between San Evaristo and San Juan de la Costa, 52 miles from La Paz and 49 miles from the International Airport; its extensive surface offers 1000 hectares and 3,400 meters of beachfront, as well as a topography where flat land predominates. Wonderful views of the sea and surrounded by the remnants of the Sierra de La Giganta and two streams make Punta Coyote a unique and ideal place to carry out a tourist development such as a boutique hotel or an ecotourism project that allows exclusive amenities to the area. To speak of Punta Coyote refers to an exclusive jewel open to residential tourism development. Special features: – To 52 miles from La Paz, taking the San Juan de La Costa w—100000 hectares -3,400 kilometers of beachfront.
