## ABOUT BAHÍA DEL TEZAL 504-A

Welcome to Bahía del Tezal, a complex of residences with great ocean views from rooftop amenities and only one block away from a swimmable beach. This condominium is the perfect place for those seeking a place to live close to the water or just an investment, as the place is ideal for Airbnb or long-term rentals, surrounded by schools, shopping malls, restaurants, hospitals, and the stunning beaches of Los Cabos. The condo has two bedrooms and two bathrooms; the main bedroom has a full bathroom and closet. The property has appliances, including a stackable washer and drier, refrigerator, and stove; everything is electric, and there is no gas in the building.
