How to describe a feeling like this? Starting with the artisan hand-woven palo de arco entry gates, following you up the path lined with endemic plants to be welcomed home by oversized piedra laja stepping stones into the most charming entryway, full of lush greenery and well established cacti and succulents. The handcrafted parota wood entry door opens to reveal a huge picture window bringing the outdoors in. Large scale windows scattered throughout the house allow seamless interaction with the outdoors from every room and frame many intentional garden views. We call it "Artwork by Mother Nature"
