LISTING OVERVIEW

Rarely are there turn-key projects ready for operation in a fast-growing area like Baja California Sur.

"So Far So Good" is a successful boutique hotel created in 2022, featuring 12 bedrooms and 12 bathrooms.

The Baja experience begins inside its double-height cafeteria/lobby, with a rooftop deck that houses a night bar for whale watching and expansive sunset views.

Its avant-garde architectural design, curated furniture, and folkloric color palette evoke contemporary Mexico, crafted by architect Ana Cristina Ortega.
